

### Launching a new server

Andrey, Thursday 16 February 2017 - 11:55:18

Thank you for donations! 99&#036; has been collected to date. The server is leased and launched in test mode:

[213.152.168.189:8593](https://213.152.168.189:8593)

Its power is equal to the total capacity of the old 4 servers.
